SUBJECT: FOOD SPECIFICATIONS

The Montana State Prison (MSP) Food Factory has been licensed by the Montana Department of Livestock to provide finished food products to other Institutions. **Effective July 1, 2003** The Montana Department of Livestock has mandated the MSP Food Factory comply with labeling procedures requiring complete disclosure on approved labels of all ingredients in order of predominance contained with-in a product. Therefore, you will notice a change in the accompanying Bid Specifications for the Fourth Quarter of Fiscal Year 2003, in that all items contained in this Bid Specification listing stipulate the specific ingredients in the specific order, which are acceptable for the identified products. This letter serves as notification that effective **July 1, 2003** the MSP Warehouse will no longer accept items unless it conforms exactly to the bid specifications as written. No deviation from the ingredients listed for each item will be allowed. The items will be refused and returned. The MSP Warehouse will no longer be able to store the refused items until they can be picked-up.

Bids for all items must contain a specific brand name. All acceptable items must have a label containing the exact specifications called for in the bid booklet and be referred to by brand name and code number. New brands can be submitted for approval, but first, a sample must be submitted. If the product meets the specification in our bid booklet, the product will appear by brand and code number on the next quarterly bid.

NO DEVIATION FROM THE INGREDIENTS LISTED FOR EACH ITEM WILL BE ALLOWED.

ALTERATION OF SOLICITATION DOCUMENT: In the event of inconsistencies or contradictions between language contained in the State's solicitation document and a vendor's response, the language contained in the State's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

ASSIGNMENT, TRANSFER AND SUBCONTRACTING: The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the department. (Mont. Code Ann. § 18-4-141.)

AUTHORITY: The following bid, request for proposal, limited solicitation, or contract is issued under authority of Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, chapter 5.

Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. In accordance with section 49-3-207, MCA, the contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

CONFORMANCE WITH CONTRACT: No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without prior written consent of the State Procurement Bureau. Supplies delivered which do not conform to the contract terms, conditions, and specifications may be rejected and returned at the contractor's expense.

DEBARMENT: The contractor certifies, by submitting this bid or proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the State.

DISABILITY ACCOMMODATIONS: The State of Montana does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals, who need aids, alternative document formats, or services for effective communications or other disability-related accommodations in the programs and services offered, are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

FACSIMILE RESPONSES: Facsimile responses will be accepted for invitations for bids, small purchases or limited solicitations ONLY if they are completely received by the State Procurement Bureau prior to the time set for receipt. Bids, or portions thereof, received after the due time will not be considered.
